## DEGREES WERE CONFERRED UPON 590 GRADUATES DURING THE 21<sup>st</sup> CONVOCAATION OF ISRA UNIVERSITY

*Continued from Page 01*

Prof. Dr. Ghulamqadir Kazi advised the students, saying, "No matter what the circumstances are in life, you have to be steadfast and keep moving forward with an eye on your destination. Insha'Allah, you will definitely achieve success."

On this occasion, Chancellor Prof. Dr. Ghulamqadir Kazi congratulated Vice-Chancellor Dr. Ahmad Waliullah Kazi, the Board of Directors, faculty members, students, and their parents, appreciating their services in the field of education.

Degrees were given to 590 successful graduates on this occasion. Among them, 405 students obtained bachelor's degrees in medical (MBBS, BDS), physical therapy (DPT), and nursing. Five students were awarded postgraduate degrees, while 159 students received degrees in the fields of engineering, computer science, information technology, management sciences, telecommunication, and business administration. Additionally, 22 male and female students received postgraduate degrees.

Addressing the convocation ceremony, Vice-Chancellor of Isra University Dr. Ahmed Waliullah Kazi congratulated the students and their parents, emphasizing that the aim of life should not be just to obtain a degree but to make that degree more useful. He encouraged students to continue their tireless work to brighten the name of their country and nation in the future.

Expressing his happiness, Dr. Ahmed Waliullah Kazi said that the various academy regulatory bodies have honored Isra University as one of the best private universities in Pakistan. He added that Isra University's name is listed in FAIMER and the World Directory of Medical Schools and recognized by the World Health Organization. Moreover, MBBS & BDS programs are recognized

by PM&DC, and nursing and midwifery programs are approved by the Pakistan Nursing Council. Additionally, programs in the Faculty of Business Education, Social Sciences and Humanities, such as BBA, BS (English), MBA, and the Faculty of Engineering, Science, and Technology, such as Electrical, Civil & Mechanical

Engineering, Computer Science, Electronics, Information Technology, and Software Engineering, are recognized by their respective councils. Gold, silver, and bronze medals were given to those students who showed outstanding performance in their academic programs. Among the gold medal winners were Aisha, Bushara Mehdi, Anshal Farooq, Tayyaba, Aina, Rahima Shahid, Nimra, Hasnain, Atta-ur-Rehman, and Abdul Manan. While Simran, Asma Nadeem, Jheel, Asma Fatima, Saman Shahid, Hamna Sheikh, Suman, Safeedullah Khan, Muhammad Shahzoor, and Murad Azam were given silver medals and bronze medals were given to Hunaid Talpur, Manisha Kumari, Shaista Anjum Majeed, Arhama Irshad, Aqsa Bibi, Nazal, Khadija Khan, Farha Noor, and Saif Ali.

Apart from the students, a large number of parents, teachers, and dignitaries from the city participated in the degree-awarding ceremony.

At the end of the ceremony, Isra Islamic Foundation Director Prof. Dr. Hameedullah Kazi thanked the Chancellor, Vice-Chancellor, faculty members, dignitaries, guests, and the organizing committee. He congratulated the students and their parents and advised the young graduates to always thank the Almighty, their parents, teachers, and elders. He envisaged the young graduates to be true to their profession and fulfill the values of Isra University and use their knowledge for the upliftment of society and service to the needy.

## AWARENESS SEMINAR ON PREVENTION OF BLASPHEMOUS ACTIVITIES ON SOCIAL MEDIA AT ISRA UNIVERSITY

*Continued from Page 01*

In his address, SSP Amjad Shaikh stressed the pivotal role of parents and teachers in instilling respect for religions, Prophets, holy books, and figures among the youth. He highlighted the importance of keeping the youth informed about both the positive and negative aspects of modern technologies.

Calling upon universities to spearhead awareness campaigns, mobilize resources, and implement corrective measures to combat blasphemy on social media, Mr. Shaikh advocated for regular awareness sessions on digital literacy and responsible online behavior. He expressed concern over the alarming rise in sacrilegious activities, revealing that 400,000 social media accounts had been involved in such activities, with a significant number of perpetrators being students or graduates.

Prof. Dr. Hameedullah Kazi, Director IIF warned against external forces seeking to destabilize Pakistan through social media manipulation and stressed the need for strong state intervention to prevent the misuse of digital platforms. Dr. Kazi echoed these sentiments, emphasizing the role of academia and parents in preventing the misuse of ICT tools.

Dr. Kazi emphasized the importance of Islamic values in shaping the nation. He said the life of the Last Prophet (PBUH) is a role model for Muslims and his Seerah is the strength based on which Pakistan can be given its due status. He urged educators, parents, and leaders to reinforce the sanctity of Islam,

the Prophet Muhammad (PBUH), Pakistan, and its institutions.

The seminar concluded with a call for collective responsibility in safeguarding religious sensitivities while promoting responsible social media usage. It underscored the importance of fostering a culture of respect, tolerance, and understanding in the digital realm, aligning with the core values of Isra University.

## ISRA UNIVERSITY ORGANIZED 7<sup>th</sup> JOB AND TRADE FAIR 2024

*Continued from Page 01*

Research, Innovation, and Commercialization (ORIC) organized 7th Job and Trade Fair on Thursday, 22nd February 2024. The event was graced by the presence of the Chief Guest, Engr. Khalid Hyder Memon, Former Secretary of Irrigation. The event was generously sponsored by Unique, Tapal Tea, ABN Overseas Education Ltd, and Hire Side.

More than 50 national and multinational companies from various sectors including Automobile, Banking, Pharmaceutical, Building & Construction, FMCG, Electronics, Microfinance, Transport, Chemical, Consultancy, Manufacturing, Energy & Power, Insurance, IT & Software, Engineering, and Telecommunication participated. The primary objective of the event was to provide employment opportunities to students and graduates, contributing to the development of the community. Over 2000 students and graduates from different universities and institutes from Hyderabad and its vicinity actively participated in the event, making it a resounding success.

The Vice-Chancellor of the University, Dr. Ahmed Waliullah Kazi warmly welcomed all participating companies, sponsors, and

stakeholders, extending his sincere gratitude for their invaluable participation and unwavering support. With a sense of pride and enthusiasm, the Vice-Chancellor emphasized the significance of their presence in fostering collaboration and innovation within the academic and corporate spheres. He further added we can reduce unemployment in the country by providing job opportunities to youngsters to solve many problems connected to it for the betterment of the economy.

The Chief Guest of the event, Engr. Khalid Hyder Memon, Former Secretary of Irrigation, expressed appreciation for the efforts made in bridging academia and industry. He commended the initiative for its vision of supporting students and providing them with enhanced opportunities for a brighter future after the completion of their education.

Director IIF and Former Chancellor, Prof. Dr. Hameedullah Kazi, gracefully delivered the vote of thanks, expressing his heartfelt gratitude. With eloquence and sincerity, he conveyed his deep appreciation to the esteemed Chief Guest, the participating companies, the entire organizing team, students, and graduates. He further articulated that such activities are instrumental in

cultivating an ecosystem that bridges academia, industry, society, and the community, fostering collaboration and mutual growth. He further encouraged companies to utilize such initiatives as a means to recruit fresh talent, highlighting their potential to propel Pakistan towards rapid progress.

The Chief Guest, along with the Vice-Chancellor, Former Chancellor, Additional Director, ORIC, and their respective teams and staff, visited the booths of the participating companies. They engaged in meaningful interactions with representatives from each company and expressed their sincere appreciation for their presence, recognizing their role in shaping the bright futures of

students. This gesture of acknowledgment underscored the importance of industry-academia collaboration in facilitating opportunities for students' professional growth and development. The ORIC officials played a pivotal role in orchestrating and executing various activities during the fair. Mr. Haseebullah

Memon, Additional Director, Mr. Mohammad Nabeel Khan, Deputy Director, Ms. Nazish Mustafa, Assistant Manager, Mr. Syed Zohaib Ali, Associate ORIC & Ms. Zainab Laghari Associate ORIC.

Later in the day, the Closing Ceremony took place during which

certificates, shields, and souvenirs were presented to the Chief Guest, companies, organizers, and volunteers as tokens of appreciation for their valuable contributions and dedication throughout the event.

As the event drew to a close, several companies expressed their satisfaction with the quality of candidates they encountered, signaling promising recruitment opportunities for the participating students. This positive feedback highlighted the effectiveness of the event in connecting talented individuals with prospective employers, paving the way for future career advancement and growth.

## ISRA UNIVERSITY CELEBRATES THE GRADUATION OF 480 STUDENTS AT ITS 20<sup>TH</sup> CONVOCATION

**H**onorable Chief Guest, Mrs. Rana Hussain, Minister for Education & Literacy, College Education, Women's Department, congratulated the students of Isra University Hyderabad on its 20th annual convocation ceremony held on 04th February 2024 at Hyderabad Campus. The worthy Chief Guest spoke to the students on the occasion and said that this day is very important for them and for their parents because today you have fulfilled the dream of your parents. Further, she said, this degree is the result of all the hard work that you have done over the last years. I am hopeful that after getting into your professional life you will make your parents, teachers, and your nation so proud of you and you will do justice to your profession. Besides, she once again congratulated the students and wished them all the best.

At the ceremony, degrees were distributed among 480 students. In which, 275 students graduated in medical, dental, nursing, and physiotherapy programs. However, 10 students post graduated in various fields. Moreover, 1 student was awarded a Ph.D. degree in the field of management science. Further, 203 students graduated in business administration, computer sciences, electrical engineering, and information technology.

Honorable Minister, Mrs. Rana Hussain also congratulated the Chancellor, Prof. Dr. Ghulamqadir Kazi, Vice-Chancellor Dr. Ahmed Waliullah Kazi, Board of Directors, Faculty Members, students, and their parents on the occasion. Further, she advised the students to work hard for their dreams and serve the nation and

humanity by helping those who are deprived of the resources. Everything changes with time, except the change itself. We live in an age of innovation and change, and in such an age, the universities have a special obligation. They must hold fast to the best of the past and do more for the best of the future, said Prof. Dr. Ghulamqadir Kazi, Chancellor, Isra University while presiding over its 20th Convocation of Isra University.

However, Prof. Dr. Ghulamqadir Kazi, said that Isra University is the only private university in Hyderabad that is approved by the Sindh government and affiliated by HEC. Dr. Kazi said that today is the most important day in the life of every student because every student works really hard to pass every exam and get his/her desired degree. Moreover, he advised the students that they should serve the country during their professional life and become the leaders of the nation. He also said that never fear failure but learn from your mistakes. The Chancellor informed the students that success is not an immediate thing, but it takes time, effort, patience, and hard work. Further in his address, he accentuated the importance of education and said that learning is a lifelong process that continues from the cradle to the grave. He urged the students to be competitive and participative in order to extend their knowledge. 'There can be no development without participation, and there can be no participation without communication, in this age of digital literacy,' he said.

On this felicitous occasion, Dr. Ahmed Waliullah Kazi, Vice-Chancellor, Isra University, in his address said that the main purpose of such events is not only to confer degrees on the students but also to honor those who have performed meritoriously.

Dr. Ahmed Waliullah Kazi said that, in light of a verse from The Holy Quran, he said, 'Knowledge inculcates in a person a sense of responsibility and accountability.' While expressing his expectations of the graduating batch he said, 'I hope that the graduating students at this University will demonstrate this purpose of knowledge and will emerge as torch-bearers of truth and be paragons of virtue.' Dr. Ahmed Waliullah Kazi, Vice-Chancellor, Isra University said that the Higher Education Commission Pakistan has ranked Isra University as one of the best private universities and our degrees are affiliated with HEC and the

medical degrees are affiliated with PM&DC. Moreover, Isra University's name is mentioned in Faimer, World Directory of Medical Scholars, and World Health Organization. However, the nursing program is also affiliated with the Pakistan Nursing Council. Also, other programs like BBA, MBA, Computers, Economics, Engineering are also affiliated. Dr. Waliullah Kazi said that the University's hospital and laboratory are equipped with modern equipment and state of art hospital. In the end, the Vice-Chancellor congratulated the students and distributed the degrees among 480 students and also distributed Gold, Silver, and Bronze medals among the deserving students.

He also shared the tremendous progress shown by Isra University and the various achievements made over the years. In his closing remarks, he congratulated the graduating students and expressed his good wishes for their future endeavors.

Moreover, Muhammad Saif Ali, Mariyam Qureshi, Carol Borat, Sapna Kumari, Shri Devi Lohano, Syed Hamza Raza, Muhmmad Aaraiz Hyder, Taha Ali Khan, Simra Fareed, Sumaiya Narejo, Muhammad Kamran, Pirah Bahri secured gold medals in their degree programs. However, Sana Khalid Gujar, Maria Jat, Sadia Mughal, Aisha Falak Khatri, Komal Christian, Syed Zain ul Abadin, Abdul Basit Noorani, Naiha Aamir Qureshi, Zaid Tanveer Jat, Muhammad Ahsan Khan, Aisha Ali Shaikh secured Silver medals and Mehak Soho, Amna Kazi, Urosa Pathan, Anjlee Devi Dinani, Aisha Khanzada, Fatima Memon, Masood Ahmed Qasmi, Adil Noor Soomro, Karan Kumar Lohano secured bronze medals.

The event ended with the vote of thanks by Prof. Dr. Hameedullah Kazi, Director, Isra Islamic Foundation. Prof. Hameedullah Kazi congratulated the students and their parents. He wished all the graduates for their better future and paid special thanks to the Chief Guest, Chancellor, Vice-Chancellor, faculty members, dignitaries, guests, and organizing committee for making this event possible.

## DEGREES WERE AWARDED TO 269 STUDENTS IN THE 8<sup>TH</sup> CONVOCATION OF ISRA UNIVERSITY KARACHI CAMPUS

The Chancellor of Isra University, Professor Dr. Ghulam Qadir Kazi, while addressing the students of Isra University Karachi campus, said that today is the day of your success. He expressed these views during the 8th Convocation of Isra University Karachi Campus. He further said, "I am very happy that today you are near your destination, from where you can see your bright future. I hope that in your practical life, with your hard work and dedication, you and your parents will surely shine and bring pride to the name of the country and the nation. My prayers are always with you." He also appreciated the role of the Vice-Chancellor and others for the success of Isra University. On this occasion, degrees were given to 260 successful students of MBBS, Doctor of Physical Therapy, Vision Sciences,

and Nursing. Nine (09) students obtained postgraduate degrees. The Chancellor of Isra University, Professor Dr. Ghulam Qadir Kazi, said in his address that Isra University is accredited by the Government of Sindh and certified by the Higher Education Commission. He told the young graduates, "Today is a milestone in your life, the reward of your years of hard work, including the hard work of your parents and teachers. I hope you are the future leaders of Pakistan, and success will undoubtedly be yours." Earlier, the Vice-Chancellor of Isra University, Dr. Ahmed Waliullah Kazi, said in the convocation address to the students, "I am proud of you for entering your practical life after obtaining degrees from Isra University. A new journey is about to begin, and I hope that you will serve people with hard work, dedication, and utmost truth and honesty." Vice-Chancellor Dr. Ahmed Waliullah Kazi further informed that the Higher Education Commission has awarded Isra University as one of the best private universities in Pakistan, with degree programs approved by the Higher Education. He added, "Apart from Karachi, we have two more

campuses in Hyderabad and Islamabad, accredited by the Higher Education Commission, offering admissions to bachelor's, master's, and Ph.D. programs." In the end, he congratulated the students and said, "This day marks your success, and I pray for your good future and continued success." Later, degrees were awarded to 269 successful students, while the chief guest presented gold, silver, and bronze medals to those students who had excelled during their academic years. Gold medal winners include Noor Bano, Zainab Asif, Muhammad Tariq, Zeeshan Shabbir Abbasi, and Shroom Masih. Silver medals were won by Musk Sania, Nimra, Sheikh Azir Mohsin, and Kashif Yaqoob. Gold medals were given to Noor Bibi, Bakhtawar Naz, Areba Yusuf, and Shabbir Ahmed. A large number of teachers and elders from the city participated. At the end of the ceremony, the director of Isra Islamic Foundation, Prof. Dr. Hameedullah Kazi, thanked the guests who participated in the ceremony. Keep up the good work, everyone.

## DEGREES WERE CONFERRED UPON 230 STUDENTS AT THE 9<sup>TH</sup> CONVOCATION OF ISRA UNIVERSITY KARACHI CAMPUS

The chief guest, Ms. Sabina Khatri, Founder & Chairperson of Kiran Foundation, congratulated the students at the ninth convocation of Isra University and said, "I am very happy to be present among you today on this joyous occasion, and it is a great honor for me." She expressed the importance of adhering to the best principles of the past and working towards a better future. The main purpose of organizing this event is not only to acknowledge the achievements of successful students but also to encourage and guide them in taking their first steps into their professional lives. The Chief Guest also commended the hard work of the Chancellor, Vice-Chancellor, and others for the continuous success of Isra University. On this occasion, certificates were awarded to 230 successful students in MBBS, Doctor of

Physical Therapy, Vision Sciences, and Nursing. The Chancellor of Isra University, Prof. Dr. Ghulamqadir Kazi, in his address at the convocation ceremony, stated, "Isra University is proud of all of you for achieving your degrees today through tireless work. I hope that you will demonstrate your professional skills in serving the country and the nation." He emphasized that now is the time to set goals for the future and work towards achieving them because time is a valuable asset that should not be wasted. Earlier, the Vice Chancellor of Isra University, Dr. Ahmed Waliullah Kazi, congratulated the students, saying that their professional lives were beginning. He urged the students not to hinder themselves from trying new things out of fear of failure, emphasizing that we learn from our mistakes. Vice-Chancellor Dr. Ahmed Waliullah Kazi further informed that the Higher Education Commission has recognized Isra University as one of the best private universities in

Pakistan, and our degree programs are approved by Higher Education. He added, "We should be prepared to face all kinds of difficult situations because situations are never one-sided. I am confident that you will undoubtedly reach your destination." Later, certificates were presented to 230 successful students, and the chief guest awarded gold, silver, and bronze medals to those students who excelled during their academic years. Gold medal winners included Shazia Mehtab, Hina Rabbani, Yamna Karim, Aram Naz, and Rubel. Silver medals were awarded to Asma Jahan,

Tishfa Ashfaq, Kausar, Ayaz Ali, and Suhana, while gold medals were given to Saba Jatoti, Rama Khan, Muhammad Bilal, Anila Shahzadi, and Sarmad Khan. A large number of parents, teachers, and elders from the city participated. At the end of the ceremony, the Director of Isra Islamic Foundation, Prof. Dr. Hameedullah Kazi, expressed gratitude to the guests who participated in the ceremony. He congratulated the successful students and their parents and teachers, emphasizing the importance of thanking Allah for the capable teachers who contributed to their success. Going forward, their training will bring even more success.

## DEGREES WERE CONFERRED UPON 775 STUDENTS DURING THE 5<sup>TH</sup> CONVOCATION OF ISRA UNIVERSITY ISLAMABAD CAMPUS

The Chancellor of Isra University, Professor Dr. Ghulamqadir Kazi, congratulated the students at the 5th convocation of Isra University, Islamabad Campus. He said, "Today is a very important day for you because you are going to fulfill your dream and that of your parents. We have to work harder to achieve our goals because your parents and teachers have many expectations from you." He emphasized preparing yourself to face all kinds of challenges so that you will have a better future

and not face any problems. On this occasion, 775 students belonging to MBBS, Physical Therapy, Vision Sciences, Medical Lab Technology, Respiratory Therapy, Audiology, Nursing, Electrical, Electronics, and Civil Engineering of Isra University Islamabad Campus received their bachelor's degrees. Additionally, 126 students received postgraduate degrees, and 16 students received PhD degrees. The Chancellor of Isra University, Professor Dr. Ghulamqadir Kazi, expressing his views at the convocation ceremony, said, "I am very proud of you, and more than you, I am proud of your teachers. Thanks to them, you have

reached this place today. Respect your teachers and your parents." Isra University Vice-Chancellor, Dr. Ahmed Waliullah Kazi, while addressing the 5th Convocation ceremony of the Islamabad campus, congratulated the students and their parents. He said, "All you young students are the capital of our country and nation. It is in the future that we have to take the reins of this country, and I hope that you will live up to our standards." Dr. Ahmad Waliullah Kazi further said that the Higher Education Commission has awarded Isra University as one of the best private universities in Pakistan, and our degree programs are approved by the Higher Education Commission. He added that the name of Isra

University is listed in FAIMER and also in the World Directory of Medical Schools and the World Health Organization. Besides Islamabad, we have two more campuses in Hyderabad and Karachi, which are also certified by the Higher Education Commission where admissions are given to bachelor's, master's, and PhD programs. Vice-Chancellor Dr. Ahmed Waliullah Kazi said to the students that this day is only the day of their achievements, and he is praying for their good future and achievements. Later, 775 successful students were given

certificates, and the Chancellor, Vice-Chancellor & Director IIF, awarded gold and silver medals to those students who showed high performance during their academic period. Among the gold medal winners are Umm Ruman, Fatima Shahid, Huma Khan, Ayesha Sajid, Laiba Ashfaq, Ayman, Ikramullah, Iftikhar Ahmed, Zahid Masood, and Madeeha Akbar, Hina Jabeen, Samila Naz, Anila Anjum, Rida Mahfouz, Syeda Mehek Fatima, Anusha Khan, Sambal Mehmood, Shiraz Ishaq, and Faizan Bashir. While the silver medals went to Hafeezah Iqra Al-Wilq, Mahnoor Javed, Momina Karan, Saleha Shawkat, Hira Jameel, Khazra Noor, Wajahat Yusuf, Muhammad Atif Khan, Talha Ali, Ayman Tariq, Fatima Bibi, Seemal Mehmood, Mahnoor Jameel, Hina Shakeel,

Besides the students, a large number of parents, teachers, and elders of the city participated in the certificate distribution meeting. At the end of the

ceremony, the Director of Isra Islamic Foundation, Prof. Dr. Hameedullah Kazi, thanked the guests who participated in the ceremony. He congratulated the successful students and their parents and teachers and said, "Today is a day for your hard work, and efforts are fruitful. I pray for a bright future for you. May Allah grant you more success. (Amen)" for you. May Allah grant you more success. (Amen)"

## SEMINAR ON "BLASPHEMOUS MATERIAL/ACTIVITIES ON SOCIAL MEDIA" AT AL-TIBRI MEDICAL COLLEGE, KARACHI

**M**arch 15, 2024: An enlightening session on the "Prevention of Blasphemous Material/Activities on Social Media" was conducted at Isra University Karachi Campus, aimed at raising awareness about the sensitive issue of blasphemy in the digital age. The session, held on March 15th, 2024, witnessed the esteemed presence of distinguished guest speakers Dr. Mufti Ejaz Ahmed Samdani and Advocate Asif Ali Bhutto, both renowned figures in their respective fields.

Dr. Mufti Ejaz Ahmed Samdani, an eminent Islamic scholar holding a PhD/M. Phil from Karachi University, captivated the audience with his profound insights on Islamic teachings and their relevance to contemporary challenges. With a rich educational background including a Master of Arts in Islamic Studies and L.L.B. from Bahauddin Zakariya University and Sindh Muslim Government College respectively, Dr. Samdani's expertise provided a solid foundation for the discourse on preventing blasphemy.

Advocate Asif Ali Bhutto, a respected legal practitioner of the Sindh High Court, complemented the session with his legal perspectives on addressing blasphemy-related issues within the framework of the law. His insights shed light on the legal intricacies surrounding blasphemy cases and the importance of upholding justice while respecting freedom of expression.

The session commenced with a warm welcome extended by Principal Al-Tibri Medical Prof. Dr. Rafique Ahmed, emphasizing

the significance of the topic at hand. Pro-Vice Chancellor of Isra University Karachi, Prof. Dr. Muhammad Umer Kazi, conveyed a vote of thanks, acknowledging the valuable contributions of the guest speakers towards fostering a deeper understanding of the subject. The event witnessed a diverse audience comprising faculty members, students, and staff, all eager to engage in meaningful dialogue surrounding the prevention of blasphemous content on social media. Among the distinguished attendees were Prof. Dr.

Abdul Rashid Shaikh, Director Hospital, Prof. Dr. Abdul Rabb Bhutto, Medical Superintendent, Col. Dr. Asad Ali Shaikh, Additional Director Hospital, and Mr. Aamir Gopang, Administrator of Isra University Karachi Campus.

The session concluded with a sense of collective responsibility towards safeguarding religious sensitivities while promoting the responsible use of social media platforms. It served as a reminder of the importance of fostering a culture of respect, tolerance, and understanding in the digital realm, in line with the core values of Isra University Karachi.

## ORIC TEAM ATTENDS WORKSHOP ON “INDUSTRY-ACADEMIA LIAISON”

Under the visionary leadership of Dr. Ahmed Waliullah Kazi and former Chancellor & Director of Isra Islamic Foundation, Prof. Dr. Hameedullah Kazi, a delegate from Isra University, including Mr. Haseebullah Memon, Additional Director of ORIC, Dr. Kinza Yousfani, Chairman of DMS, and Ms. Sumaira Kazi, Senior Lecturer, was nominated to attend the workshop named "Industry-Academia Liaison" organized by NBEAC at the University of Kotli, Azad Jammu & Kashmir, on March 5th and 6th, 2024.

The facilitator of the workshop, Dr. Syed Zahoor Hassan, Professor Emeritus and former Dean and Vice-Chancellor of LUMS, conducted a comprehensive two-day training session at the University of Kotli, Azad Kashmir. The event witnessed enthusiastic participation from academic professionals across Pakistan. Dr. Syed Zahoor Hassan's leadership contributed to the

success of the training, providing valuable insights into the critical aspects of industry-academia collaboration. The first day of the training session delved into crucial topics, including the strategic role of academia-industry liaison, the responsibilities of academic management in achieving desired results, the impact of faculty on curriculum development in liaison activities, and a panel discussion exploring opportunities and challenges in academia-industry collaboration.

The second day of the training session continued with in-depth discussions on setting up mechanisms for liaisons, ensuring value for all stakeholders involved, and the evolution of liaisons with a focus on tracking progress. The wrap-up session provided a comprehensive overview of the insights gained during the training.

Participants expressed their appreciation for the knowledge imparted during the two-day event, highlighting the relevance and practical applicability of the topics discussed. Mr. Haseebullah Memon, Additional Director, praised the organizers including Vice-Chancellor Prof. Dr. Rahmat Ali Khan, University of Kotli, and their organizing team for orchestrating a well-structured and informative training session, emphasizing its importance in bridging the gap between academia and industry.

Dr. Kinza Yousfani and Ms. Sumaira shared their positive experiences and commended the efforts of NBEAC in fostering collaboration between academia and industry. They expressed optimism about implementing the acquired knowledge in their respective institutions, foreseeing positive outcomes for both students, faculty, and other professionals alike. The session ended with souvenirs distribution and group photographs.

## AWARENESS RALLY HELD AT ISRA UNIVERSITY ON “YOUM-E-TAHAFUZZ-E-NAMOOS-E-RISALAT (PEACE BE UPON HIM)”

Like the entire country, an awareness rally was organized at Isra University Hyderabad on the importance of TAHAFUZZ-E-NAMOOS-E-RISALAT (Peace be upon him), which was led by the Vice Chancellor of Isra University, Dr. Ahmed Waliullah Kazi. The purpose of celebrating the Day of Protection of the Holy Prophet (Peace be upon him) was so that we Muslims could send a clear message to the world that we will not tolerate any negligence in the protection of the Holy Prophet (Peace be upon him).

Addressing the rally, Vice Chancellor of Isra University Dr. Ahmed Waliullah Kazi said that we stand side by side with the Muslim Ummah that has stood up for the support of the Prophet and the protection of the Holy Prophet (Peace be upon him). And today we want to make it clear with this message that we are a living nation.

He further emphasized that a Muslim could tolerate everything, but he cannot tolerate insolence in the honor of Hazrat Mustafa

Mustafa (peace be upon him) and it is the duty of all of us Muslims to raise our voices for the protection of the Holy Prophet (peace be upon him) and for our true Ummah and being Muslims. The Vice Chancellor Dr. Ahmed Waliullah Kazi said that we will organize more information seminars of this kind on the protection of the Holy Prophet (peace be upon him), in which personalities from different walks of life will participate. So that the students can highlight the importance of TAHAFUZZ-E-NAMOOS-E-RISALAT (Peace be upon him).

A large number of students, teachers, officers, and other staff of Isra University and Hospital participated in the rally. The rally started by reciting blessings on the Holy Prophet (Peace be upon him).

## SESSION ON UNDERSTANDING THE REVISED QUALITY ASSURANCE FRAMEWORK PSG-2023

On March 25, 2024, the Vice Chancellor's Secretariat, and the Quality Enhancement Cell (QEC) held a session on Understanding the Revised Quality Assurance Framework (PSG-2023). Dr. Ahmed Waliullah Kazi, the Vice Chancellor, chaired the session with Mr. Muhammad Murad

Memon, Director of QEC, as the co-facilitator. The attendees included Pro-Vice Chancellors, Deans, Chairpersons, Principals, and heads of departments of the University. During the meeting, the Vice Chancellor provided an overview of PSG-2023 and ensured that all participants were informed about the EOI grading system and the categorization of standard/Higher Education Institutions (HEIs).

## CME ON DIABETES

March 8, 2024: Isra University's Medicine department arranged a CME on Diabetes on March 8th. The session commenced with the recitation of the Holy Quran by Prof. Dr. Akbar Memon, with Dr. Sawat Siddique as the session moderator.

Professor Dr. Adnan Bawany, Chairperson of the Medicine department, discussed the burden of diabetes in Pakistan and worldwide. Dr. Ghulam Fareed organized and spoke at the session, offering a comprehensive explanation of diabetes and discussing its implications during Ramadan.

## INTERNATIONAL HEALTH DAYS AWARENESS SEMINAR & POSTER SHOW AT ISRA UNIVERSITY

A Public Health Awareness and Research Seminar, along with a Students' Poster Show, was held at Isra University. Prof. Dr. Hameedullah Kazi, Director IIF, was the Chief Guest of the occasion. The event was organized by the Department of Community Medicine to commemorate three international health events: World TB Day, World Health Day, and World

Malaria Day. It took place at the Asadullah Kazi Auditorium, Isra University, in collaboration with the Department of Medicine and the ORIC Department.

Prof. Dr. Hameedullah Kazi, Director of IIF, was the Chief Guest, and Dr. Badar Muneer, WHO Sindh, was the Guest of Honour. International speakers who shared their insights included Dr. Ayaz Samdani from the USA, Dr. Hyder Ali Talpur from the UK, and Dr. Nasir Jamal Pathan from Canada. They emphasized that malaria

and TB are uncommon in their respective countries due to effective preventive and curative measures and expressed hope that Pakistan could also control and eradicate these diseases. For instance, the World Health Organization (WHO) reports that globally, tuberculosis (TB) remains one of the top infectious killers, claiming over 4,000 lives daily, with around 10 million new cases annually. Similarly, malaria, according to the World Malaria Report, remains a significant global health concern, with approximately 229 million cases and over 400,000 deaths reported in 2019 alone.

Dr. Hameedullah Kazi reiterated the commitment to providing more facilities to underprivileged patients through Isra Welfare Hospital and TB diagnostic facilities, welcoming collaboration from the Government of Sindh Health Department. The students delivered presentations on TB, Malaria, and World Health Day. Directors of Malaria and TB, Dr. Mushtaque Shah, addressed the public health challenges, commending Isra University for its

research and awareness efforts. Professor Hussain Bux Kolachi, Chairman of the Department of Community Medicine, highlighted the alarming rate of new TB cases in Pakistan and the burden in the EMRO Region. Dr. Saima Siraj Jatoti, a pulmonologist, advised patients not to delay diagnosis if experiencing a persistent cough for more than three weeks. Shields and prizes were distributed among the guest speakers.

The objectives of the International World Health Days were outlined, including creating awareness about health and the major diseases of Tuberculosis and Malaria, involving students in academic research, awareness, and community service activities, and bringing together experts from health administration and departments to share experiences and guidelines. Dr. Amir Dabeer (Deputy DG Health), Dr. Samreen Ashraf (Additional Director TB Programme), Dr. Sunita Kumari Nankani (Regional Coordinator, IRD), Dr. Amantullah Khan Pathan, shared their insights. Prof. Dr. Adanan Bawani, Dr. Akbar Memon, Dr. Fida Hussain Shaikh, Dr. Nasreen Memon, Dr. Saima Jatoti, and Ms. Alia Nasir from Hamdard University, Karachi were also present.

## ADVISOR TO THE CHAIRMAN, PEC, VISITS ISRA UNIVERSITY

A visit by Engr. Mir Masood Rashid, Advisor to the Chairman, PEC, along with Engr. Najeeb Haroon, was held on Friday, 05 January 2024, at Isra University, Hyderabad. Prof. Dr. Khadija Qureshi, Member Governing Board, PEC, also accompanied the Advisor. The meet and greet took place at the Vice Chancellor's office where Engr. Mir Masood Rashid met with Prof. Dr. Ahmed Waliullah Kazi, Vice Chancellor, Isra University, Prof. Dr. Hameedullah Kazi, Former Chancellor, Isra University, Prof. Dr. Suhail Kazi, Dean, Faculty of Engineering Science and Technology, Isra University, Hyderabad, and others.

Later, a session was conducted at the Auditorium, Block-A. The welcome address was given by Prof. Dr. Hameedullah Kazi, Former Chancellor, Isra University. Dr. Kazi presented the advisor with a Sindhi traditional gift. The advisor later presented a cheque for the successfully selected final year project of the Department of Electrical Engineering in connection with the financing scheme initiative by PEC for the year 2023-24 to Prof. Dr. Ahmed Waliullah Kazi, Vice Chancellor, Isra University, Prof. Dr. Hameedullah Kazi, Former Chancellor, Isra University, Prof. Dr. Suhail Kazi, Dean, Faculty of Engineering Science and Technology, Isra University, Hyderabad, Chairpersons, Prof. Dr. Niaz Memon (Civil Engineering), Prof. Dr. Noor Mohammad (Chairperson Electrical Engineering), and Engr. Saad Baloch, Focal Person, Isra University, Hyderabad.

Later, the advisor interacted with the faculty members of Isra University Hyderabad and Sindh Agriculture University, Tandojam engineering departments regarding the initiatives that PEC is offering to the students and faculty of engineering. Engr. Mir Masood Rashid's visit was important regarding the PEC initiatives that HEI's are undertaking about the Engineering Programs being run in line with the PEC Pakistan Development Committee (PPDC).

## ONE-DAY WORKSHOP ON ANAL SPHINCTER INJURIES

**A**nal sphincter injuries (OASIS) occur during vaginal delivery. Early diagnosis of these damages is mandatory to define a prompt therapeutic strategy and thus avoid the development of late consequences. Surgeries for OASIS are difficult to perform. Very few consultants are doing these surgeries

successfully.

The aim of this workshop was to train junior consultants. The workshop started at 9:45 AM with the recitation of the Quran & the National Anthem. Presentations were given by the faculty of the Gynae Unit – II followed by Hands-on, on models. The guests, Dr.

Sajjad Kazi Director IUH & Dean Dr. Khalid Talpur were decorated by traditional Ajrak by Prof. Pushpa Srichand & Prof. Syeda Nishat Zohra. After a tea break, live surgeries were shown from OT to Asadullah Kazi Auditorium to the audience & also through a zoom link to other participants. Surgeries were performed on 4th-degree Perineal Tear & Rectovaginal Fistulae.

The whole program was also shown in different hospitals of Pakistan through a zoom link. The workshop was successfully conducted by Prof. Pushpa Srichand at Isra University & all over Pakistan through a zoom link.

## ADVANCING CLINICAL EDUCATION: WORKPLACE-BASED ASSESSMENTS WORKSHOP

The "Advancing Clinical Education: Workplace-Based Assessments Workshop" held on January 5, 2024, at Isra Dental College's Conference Room was a resounding success, fostering knowledge exchange and skill enhancement among the participating faculty members. The workshop, facilitated by Dr. Syed Masood ul Hassan and Dr. Rabia Anis from the Department of Health Professions Education, aimed to equip clinical educators with the tools for effective workplace-based assessments (WPBA).

Dr. Rabia Anis initiated the session with a comprehensive introduction to the basics of assessment, setting the stage for an interactive and engaging workshop. The participants gained insights into the significance of WPBA, laying the foundation for the subsequent discussions. Dr. Masood ul Hasan, a distinguished Senior Registrar at DUHS for operative dentistry and a scholar of

MHPE from The Aga Khan University, shared his expertise on the workshop-based assessment plan. His valuable contributions and insights provided the attendees with practical strategies for integrating WPBA into their teaching and professional development practices. We extend our sincere thanks to Dr. Masood ul Hasan for traveling from Karachi to share his knowledge, enriching the learning experience for all.

The honorable Vice-Chancellor Dr Ahmed Waliullah Kazi graced the hands-on session, emphasizing the crucial role of assessment in shaping student learning experiences and teaching practices. His presence underscored the institution's commitment to excellence

in education. Dr. M. Salman Shafique, the Dean, actively participated as an engaged attendee, exemplifying leadership's dedication to faculty development.

The workshop saw enthusiastic participation from respected junior and senior clinical faculty members of Isra Dental College,

creating a dynamic and collaborative learning environment. Following the interactive lectures, participants enjoyed a tea break, fostering networking and informal discussions. The highlight of the workshop was a role-play presentation involving four groups led by faculty members. This hands-on activity allowed participants to apply the workshop concepts, promoting practical understanding and skill development. In conclusion, the Workplace-Based Assessments Workshop not only achieved its stated objectives but also facilitated meaningful discussions, knowledge sharing, and skill enhancement. The commitment and engagement of all participants, coupled with the expertise of the facilitators, made this workshop a valuable contribution to the continuous improvement of clinical education at Isra Dental College.

## AUTO SHOW BY AIRBFT

On the direction of the honorable Vice Chancellor, Dr. Ahmed Waliullah Kazi, the Office of Research, Innovation, and Commercialization organized an “Auto Show” held on 16th January at Block A pathway, Isra University, Hyderabad.

Our Honorable Vice Chancellor, Prof. Dr. Ahmed Waliullah Kazi, graced the event with his presence, adding an extra layer of expertise and academic insight. The students were privileged to gain valuable knowledge from his perspective on the evolving trends in the automotive world.

The distinguished guests of the AIRBFT Auto Show were honored with souvenirs presented by the Vice-Chancellor, Prof. Dr. Ahmed Waliullah Kazi and Former Chancellor, Prof. Dr. Hameedullah Kazi. Adding to the grace of the occasion, Mr. Haseebullah Memon, Additional Director of the Office of Research, Innovation, and Commercialization (ORIC), joined in to extend the warm welcome and contribute to the festivities. Their presence and generosity in distributing these tokens of appreciation added an extra layer of significance to the event, creating cherished memories for all attendees.

At the Airbft Auto Show, the thrill of the event was undeniable as the venue buzzed with the latest automobiles' revving engines and sleek designs. From sleek sports cars to eco-friendly electric vehicles, the show featured a diverse array of cutting-edge technology, offering a firsthand glimpse into the future of

transportation. The palpable excitement highlighted the shared passion for innovation and automotive excellence. The event concluded with a group photo that captured not just faces but the shared memories of this collaborative effort. It's a snapshot of the teamwork, creativity, and sheer enthusiasm that went into making the Auto Show a memorable experience. A big shoutout to Airbft for hosting this spectacular event and creating a platform for students to explore the exciting world of automotive innovation!

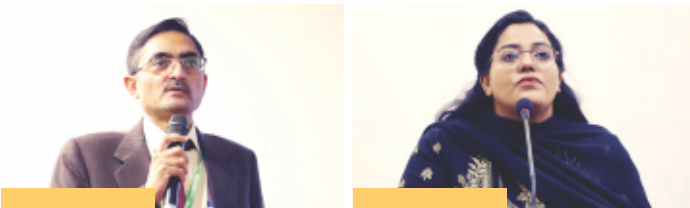

## A SESSION ON “CYBER SECURITY AWARENESS”

On the direction of the honorable Vice Chancellor, Dr. Ahmed Waliullah Kazi, the Office of Research, Innovation, and Commercialization, in collaboration with the IT department, hosted a significant “Cyber Security Awareness” session on 11th January at Asadullah Kazi Auditorium, Isra University, Hyderabad.

Our esteemed Vice Chancellor, Dr. Ahmed Waliullah Kazi, warmly welcomed participants, expressing gratitude for their collective commitment to strengthening our digital resilience. In his opening address, he underscored the significance of cybersecurity in today's rapidly evolving technological landscape and acknowledged the invaluable insights the distinguished speakers would impart. He recognized the pressing need for a robust cybersecurity framework and emphasized the shared responsibility in creating a secure digital environment within our institution.

The session featured insights from five distinguished speakers, including representatives from the Federal Investigation Agency. Mr. Aamir Ali, Assistant Director (FIA), Saeed Ahmed Shaikh, Inspector (FIA), Mr. Sajid Hakim, Assistant Sub Inspector (FIA), Ms. Shehnaila Sahar, Advocate, and Mr. Asghar Ali, Senior software engineer. The experts provided valuable real-world perspectives on the dynamic landscape of cyber threats and preventive measures. To honor their contributions, our esteemed Vice Chancellor, Dr. Ahmed Waliullah Kazi, along with the Additional Director, ORIC, Haseebullah Memon, and the Director of IT, Hafiz Tariq, presented souvenirs to the guests. The event served as a pivotal platform for enhancing the understanding of cybersecurity among our community members.

The session garnered enthusiastic participation from Heads of Departments (HODs), Deans, Chairpersons, employees, and staff. The wide engagement and collaborative spirit demonstrated by

HODs, Deans, Chairpersons, and staff further underscored the collective commitment to ensuring a secure digital environment within our institution. This session is a testament to our ongoing efforts to prioritize cybersecurity and foster a culture of digital safety and resilience. As the cybersecurity awareness session concluded, certificates were awarded to the dedicated organizers, acknowledging their pivotal role. A group photo captured the

shared memories of this collaborative effort, symbolizing our commitment to strengthening cybersecurity awareness within our institution.

## UNITED BANK LIMITED (UBL) RECRUITMENT DRIVE AT ISRA UNIVERSITY - A GATEWAY TO CAREER SUCCESS!

A Recruitment Drive by United Bank Limited (UBL) at Isra University, arranged by Career Development Center under the Office of Research, Innovation, and Commercialization (ORIC), was held on 15th January, at ORIC Secretariat, Isra University, Hyderabad.

In an impactful recruitment drive organized by the Career Development Center under the Office of Research, Innovation, and Commercialization (ORIC) at Isra University, United Bank Limited (UBL) sought out potential candidates for the role of Relationship Manager. On the 15th of January, at the ORIC Secretariat in Isra University, Hyderabad.

Mr. Haseebullah Memon, Additional Director, ORIC, decorated the guest speaker with traditional souvenirs. The event welcomed an impressive turnout of 15 enthusiastic candidates from the MBA and BBA programs and out of which 6 candidates are shortlisted for round 2. The vibrant UBL team, led by Noman Ahmed Baig, District Operation Manager (DOM), and Sheeraz Akhtar Kazi, District Manager (DM), actively engaged with the participants, providing valuable insights into the bank's work culture and potential career pathways.

The dynamic duo of Mr. Noman and Mr. Sheeraz played integral roles in ensuring the success of the recruitment drive, turning it into a talent search and an inspirational session for future professionals in the banking sector. As the interviews concluded, positive energy filled the air, reflecting the promising prospects for UBL and the talented individuals who participated. This recruitment drive is a testament to UBL's commitment to nurturing talent and fostering partnerships with academic institutions like ISRA University.

## ICTINOV PROJECT PRESENTATION

In a collaborative initiative between Isra Foundation School and Isra University, a group of enthusiastic teachers visited Isra University on Friday, January 19, 2024.

The purpose of their visit was a demonstration of the ICTINOV Project and the cutting-edge ICTINOV lab equipment. The session, led by Dr. Suhail Kazi, Dean of the Faculty of Engineering Science and Technology, and Dr. Mutee U Rahman, Professor in the Department of Computer Science, provided a comprehensive introduction to the ICTINOV Project, Design Thinking Methodology, and the innovative lab equipment. The educators were not only inspired to integrate Design Thinking into their teaching methodologies but were also encouraged to explore the utilization of small single-board computers such as Raspberry Pi and Arduino in STEM subjects. This collaborative endeavor is a step towards fostering technological integration with Isra Foundation Schools.

## SANA TEAM VISIT ISRA UNIVERSITY

A two-member team of the Sindhi Association of North America (SANA) paid a visit to Isra University. Ms. Shahida Shaikh, Vice President, and Dr. Nasir Jamal Pathan visited ISRA Hospital and ISRA University campus. They had a meeting with Vice Chancellor Dr. Ahmed Waliullah Kazi,

Dean Clinical Sciences, Prof. Khalid Iqbal Talpur, and Dr. Sajjad Kazi, Director ISRA Hospital. A very useful interaction took place, and many issues were discussed where ISRA University and SANA can collaborate to enhance the standard of education and health in the Sindh province.

## CAREER COUNSELING AND PSYCHOMETRIC TEST SESSION AT ISRA FOUNDATION SCHOOL

On the direction of the honorable Vice-Chancellor, Dr. Ahmed Waliullah Kazi, the Office of Research, Innovation, and Commercialization organized a Career Counseling Session and Psychometric Test held on 01st February at ISRA Foundation School, Hyderabad.

Isra University's ORIC team, led by Mr. Haseebullah Memon, Additional Director, along with Ms. Nazish Mustafa, Assistant Manager, and Syed Zohaib Ali, Associate, recently conducted a highly insightful session for O/A Level students. The session aimed to empower students with the knowledge and tools to make informed career decisions, providing valuable insights into their strengths and preferences through psychometric tests.

Our experienced team guided students through the intricacies of various career paths, helping them align their aspirations with their unique skill sets. The interactive nature of the session fostered a dynamic environment, encouraging students to explore diverse career possibilities. Special thanks to ISRA Foundation School for hosting this enriching session and fostering an environment of growth and empowerment for their students. Stay tuned for more insightful sessions and initiatives from Isra University's ORIC team as we continue to inspire and guide students toward a bright and fulfilling future!

## CDC & ORIC CONDUCTED INTERVIEWS

On the direction of the Honorable Vice Chancellor, Dr. Ahmed Waliullah Kazi, and Former Chancellor, Prof. Dr. Hameedullah Kazi, Isra University, Hyderabad, the Office of Research, Innovation, and Commercialization (ORIC) conducted interviews of students for the Isra Career Society and Isra Entrepreneurial Society on 22nd January 2024 at Isra University, Hyderabad.

A total of 35 students were interviewed by the ORIC Team, who demonstrated not only their exemplary skills but also unveiled their profound aspirations and unwavering dedication towards shaping their academic pursuits. The engagement of these students showcased a remarkable commitment to academic excellence and a keen desire to contribute meaningfully to their educational journey. The Isra Career Society (ICS) aims to guide students towards their professional goals, offering mentorship, networking opportunities, and valuable insights into the corporate world.

The Isra Entrepreneurship Society (IES) is getting ready to inspire new ideas and business skills to generate the entrepreneurial echo. We extend our heartfelt appreciation to all the students who participated in the interviews. Your passion and commitment to your future endeavors are truly commendable. ORIC Team, dedicated to curating excellence, meticulously conducted interviews to handpick the most dynamic and passionate individuals to join these societies.

## OATH TAKING CEREMONY OF SENIOR CITIZEN SOCIETY HYDERABAD

**D**r. Ahmed Waliullah Kazi, Vice Chancellor, Isra University, attended the oath-taking ceremony of the newly elected members of the Pakistan Senior Citizens Association Hyderabad as a guest of honor. He congratulated them and assured them of his full cooperation in his speech.

## VICE CHANCELLOR AWARDED DEGREES TO GRADUATES

**T**he Vice Chancellor Isra University, Dr. Ahmed Waliullah Kazi awarded degrees to graduates of Isra University Karachi campus for the graduating students of the academic year 2021-2022 and 2022-2023, in a degree distribution ceremony held at Isra University, Hyderabad on 16 January 2024. The Vice-Chancellor congratulated the graduates and extended his warm wishes for their future endeavors.

## DIRECTOR QEC CONDUCTED A SEMINAR ON "EVALUATING EXCELLENCE" AT MUET

Quality Assurance and Enhancement Seminar at MUET Jamshoro. Mr. Muhammad Murad Memon, Director Quality Enhancement Cell (QEC) Isra University, conducted a seminar on "Evaluating Excellence - Understanding PSG-2023 & the Process for Review of Institutional Performance and Enhancement (RIPE)" on Tuesday, March 26, 2024. The seminar was organized by the Quality Enhancement Cell (QEC) of Mehran University of Engineering & Technology (MUET), Jamshoro and took place at the Prof. Dr. Haji Mahmood Senate Hall. The event attracted various heads from both teaching and non-teaching departments, alongside QEC Coordinators, fostering insightful discussions and knowledge exchange.

## PAKISTAN DAY CELEBRATED AT AL-TIBRI MEDICAL COLLEGE

Isra University Karachi Campus commemorated Pakistan Day with great fervor and enthusiasm, marked by a special walk held within the campus premises. The event was graced by esteemed personalities including Prof. Rafique Ahmed, Principal of Al-Tibri Medical College (ATMC), Dr. Abdul Rasheed Shaikh, Director Hospital, Dr. Asad Shaikh, Additional Director Hospital, Prof. Dr. Abdul Rabb Bhutto, Medical Superintendent, Prof. Dr. Abdul Lateef Mahesar, Head of Pharmacology Department, Prof. Dr. Syed Maqsood Ahmed,

Additional Director of Student Affairs, Prof. Dr. Hina Khan, Deputy Director of PG Studies, and Mr. Aamir Gopang, Administrator of Isra University Karachi Campus. The walk served as a symbolic gesture of unity and solidarity, as faculty, staff, and students came together to celebrate the spirit of patriotism and national pride. Participants reflected on the significance of Pakistan's journey towards progress and development while renewing their commitment to contribute positively to the nation's advancement. The occasion provided a platform for fostering a sense of belonging and unity among the Isra University community, reinforcing the values of unity, faith, and discipline that are integral to the nation's ethos.

## CAREER COUNSELING SESSION AND PSYCHOMETRIC TEST FOR STUDENTS AT PUBLIC SCHOOL, HYDERABAD

On the direction of the Honorable Vice Chancellor, Dr. Ahmed Waliullah Kazi, and Former Chancellor, Prof. Dr. Hameedullah Kazi, Isra University, Hyderabad, took a proactive step towards shaping the future of students with a dynamic counseling session organized by the Office of Research, Innovation, and Commercialization (ORIC).

The event held at Public School on January 27, 2024, featured a series of impactful activities led by Mr. Haseebullah Memon, Additional Director ORIC, as a guest speaker along with Ms. Nazish Mustafa, Assistant Manager ORIC, and Mr. Syed Zohaib Ali, Associate ORIC. The focal point of the session was the administration of psychometric tests by the ORIC team. This test was meticulously conducted and provided valuable insights into the unique aptitudes, interests, and personality traits of the students. Such personalized assessments play a pivotal role in helping students make informed decisions about their academic and career trajectories. Complementing the psychometric tests were interactive and engaging activities aimed at fostering holistic development.

The ORIC team facilitated sessions that encouraged students to explore and better understand their unique strengths and aspirations. These hands-on activities provided an enriching experience, allowing students to develop a deeper sense of self-awareness and cultivate essential life skills. The counseling session received overwhelmingly positive feedback from students and faculty alike, affirming its success in providing meaningful

guidance and support. Isra University Hyderabad remains dedicated to initiatives that contribute to the comprehensive development and success of students. In the end, the Worthy Principal Public School, Mr. Fazaluddin Memon, thanked the ORIC Team and management of Isra for such a memorable session for their students.

## A SEMINAR ON WORLD LEPROSY DAY

Isra University Dermatology Department organized a one-day seminar on Leprosy, the program is being conducted to celebrate Leprosy Day, the theme of the seminar was BEAT LEPROSY, the organizer of the event was the Chairperson & Head of Dermatology Department Isra University Prof. Dr. Uzma Rajar.

The Chief Guest of the event was Vice-Chancellor Isra University Prof. Dr. Ahmed Waliullah Kazi, and the Guest of Honour was Vice-Chancellor University of Modern Sciences, TMK Prof. Dr. Feroz Memon, the Dean of Clinic Sciences Prof

Dr Khalid Talpur and Director Isra University Hospitals Dr. Sajjad Kazi.

The program was celebrated to create awareness among Medical officers, postgraduate students, house officers, and medical students about the disease. There was art of scientific session on

Leprosy with lectures on an overview of leprosy, eye changes in leprosy, prevention, pathology, how it affects the children, and how to manage it. The speakers were Prof Dr. Uzma Rajar, Prof Dr. Khalid Talpur, Brig (r) Asher Ahmed Mashood, Dr. Najia Ashraf, Prof Dr. Evelina from Oslo University Norway, Prof Dr Hussain Bux Kolachi, Dr. Saleh Memon, Dr. Hira Khan, and Dr. Sadaf Sannd.

## AWARENESS SESSION BY PINK RIBBON SOCIETY

The Pink Ribbon Society of Isra University, Hyderabad, organized an Awareness Session on Thursday, 15 February 2024, at Asadullah Kazi Auditorium.

The session was organized to create awareness among the female students, employees, and staff of Isra University, Hyderabad, to be aware of any discomfort in their upper body and to see the doctor immediately without wasting any time. Mrs. Sadaf Waraich, CEO, Justoojo Foundation, a Cancer Survivor, was the esteemed guest on the occasion. Mrs. Sadaf Waraich was welcomed to Isra University by Prof. Dr. Hameedullah Kazi, Director IIF, Former Chancellor, Isra University at Vice-Chancellor Office. Dr. Kazi thanked Mrs. Sadaf Waraich for sparing her precious time.

At the session, Dr. Farkhunda, Head of the Pathology Department, spoke during the session and shed light on the effects and care to be taken care of this slow poison. Mrs. Sadaf Waraich shared her experience of how she went through the process of Cancer and shared insights on how to mitigate against this disease. Both the speakers were decorated with Sindhi Traditional gifts. Later, group photos were taken with the participants.

## ISRA UNIVERSITY PARTICIPATED IN CONFERENCE ON APPLICATIONS OF ARTIFICIAL INTELLIGENCE (AI) IN AGRICULTURE

Taha Memon, Hadi Bux Laghari, and Ibrahim Nizamani, attended the event online from Isra University's Hyderabad campus via a video link.

The event, marked by its productivity and significance, provided a platform for robust discussions and collaborations among key stakeholders. Participants engaged in thoughtful exchanges on critical issues facing Pakistan's agriculture sector and its lack of efficient farming, charting pathways toward sustainable development, innovation, and progress.

**T**he Higher Education Commission (HEC) and the Ministry of National Food Security & Research (MNFSR) Conference on 'Applications of Artificial Intelligence (AI) in Agriculture.'

The Higher Education Commission (HEC) and the Ministry of National Food Security & Research (MNFSR) collaborated in organizing a conference on 'Applications of Artificial Intelligence (AI) in Agriculture' on Thursday, February 01, 2024, at the HEC Auditorium in Islamabad.

The Vice Chancellor, Dr. Ahmed Waliullah Kazi, along with progressive farmers from the Hyderabad region, including Mr.

Throughout the conference, the spirit of collaboration and forward-thinking permeated every discussion, reflecting a collective commitment to shaping a brighter future for Pakistan's agricultural sector and its stakeholders, especially the farmers. The insights shared and connections forged during the event are poised to drive meaningful change and foster lasting partnerships across the agriculture and technology sectors.

The Higher Commission of Pakistan extends its gratitude to all participants, speakers, and collaborators for their invaluable contributions to making this conference a resounding success.

## STUDENTS' STUDY TOUR

In an enriching study tour organized by the Department of Management Sciences, students delved into the intricate operations of three diverse industries. The tour, which took place on February 1, 2024, was led by the faculty of the Department of Management Science: Ms. Mahnoor Laghari, Ms. Hadia, and Mr. Syed Safdar Ali Shah, along with faculty from BS English, Mr. Naeem.

The tour aimed to provide students with practical insights into the Production and Operations Management of industries. It commenced with a visit to the Food Deluxe Industry, where students observed firsthand the details of various pulse production processes. They were exposed to the entire life cycle of pulse production, from sourcing raw materials to the final packaging of the products. This included understanding cultivation, harvesting, processing, and packaging stages. Moreover, students gained an understanding of the rigorous quality control measures implemented in the industry, learning about the standards and protocols followed to ensure that the final products meet required quality benchmarks.

The visit also shed light on the operational challenges faced by the industry and the innovative solutions adopted to overcome them. This aspect provided students with valuable insights into real-world problem-solving within the context of Production and Operations Management. Afterward, the students visited the Oil and Cotton Industry, where they were exposed to the process of

sourcing raw materials including both oil and cotton, which involved understanding supply chain dynamics, procurement strategies, and challenges associated with securing high-quality raw materials.

Moreover, students also visited Hammad Plastic Industry, where the focus was on production and operations management within the realm of plastic manufacturing. The tour provided a detailed exploration of plastic production processes, encompassing stages from raw material handling to the final molding and shaping of plastic products. Students were exposed to the machinery, technology, and automation used in plastic manufacturing. Overall, the industry visit was tailored to the academic discipline of the students, offering them a specialized and in-depth exploration of production and operations management. This targeted experience equipped students with industry-specific knowledge and practical insights invaluable for their future careers in the field.

## ISRA UNIVERSITY PARTICIPATED IN THE JOB FAIR & FYP EXHIBITION

A delegation from Isra University, Hyderabad, consisted of Mr. Haseebullah Memon (Additional Director, ORIC) & Mr. Mohammad Nabeel Khan (Deputy Director, ORIC), who participated in Job Fair 2024 & Project exhibition organized by FET, University of Sindh, Jamshoro on Tuesday, January 30th, 2024.

CVs from different academic fields were collected from students and graduates. Furthermore, the representatives from Isra University appreciated the projects presented in the Final Year Project Exhibition and thanked the honorable Vice-Chancellor of the University of Sindh, Prof. Dr. Muhammad Siddique Kalhoro, for continuously inviting Isra University for their essential academic activities.

03 February 2024: MAJ. GEN. MUHAMMAD HUSSAIN, GOC 18 DIV & PROF. DR. AHMED WALIULLAH KAZI, VICE CHANCELLOR, GRACE IN HYDERABAD MARATHON 2024

A Marathon was organized on Friday, 02nd February 2024. Maj. Gen. Muhammad Hussain, GOC 18 Div, Prof. Dr. Ahmed Waliullah Kazi, Vice-Chancellor, along with Mr. Khalid Hyder Shah, Commissioner, Hyderabad Division, Mr. Tariq Dharejo, DIG Police, Engr. Tariq Bajari, Hon. Secretary, Hyd. Gymkhana, Dr. Agha Taj, President, Hyd. Gymkhana, & others graced the Hyderabad Marathon 2024.

Isra University, Hyderabad, also won two prizes, 1st Position (Mr. M. Ali Memon) in the Senior Citizens category and 3rd Position (Mr. & Mrs. Aijaz Akhtar) in the Mr. & Mrs. category. The Isra University team was managed by Mr. Saad Baloch. This marathon was organized by Hyderabad Gymkhana in collaboration with Pakistan Army and was the first-ever kind of Marathon being organized at Hyderabad. Participants from all over Hyderabad participated in various categories from the age of 14 till 60 above. In total, almost 1000 participants participated.

## HANDS-ON WORKSHOP AT AL-TIBRI MEDICAL COLLEGE

The hands-on workshop conducted at Isra University Karachi Campus (Al-Tibri Medical College) by the Department of Medical Education on 31st January 2024 aimed to introduce and enhance participants' understanding of innovative teaching methodologies, with a primary focus on Team-Based Learning (TBL).

The workshop commenced with an opening address by Dr. Asad Jiskani, Head of the Department of Medical Education, emphasizing the significance of incorporating dynamic teaching methods to foster a collaborative learning environment. The agenda encompassed both theoretical insights and practical applications. Dr. Anas Tariq and Dr. Omaimah presented the process of TBL to faculty members.

The workshop initiated with an in-depth introduction to TBL, elucidating its principles and benefits in medical education. Faculty members gained insights into how TBL promotes critical thinking, problem-solving skills, and effective communication among students. The workshop prioritized hands-on activities, allowing participants to experience the implementation of TBL firsthand. Small group discussions, case-based scenarios, and collaborative problem-solving exercises were employed to simulate TBL in a classroom setting.

The event facilitated meaningful discussions, fostering a community of educators dedicated to advancing medical education through collaborative and student-centered approaches.

## KASHMIR SOLIDARITY DAY WAS OBSERVED AT ISRA UNIVERSITY

Kashmir Solidarity Day was observed at Isra University on 5th February 2023 which is an annual day arranged to honor the sacrifices of Kashmiris. People around the world and especially Pakistanis observe Kashmir Day to show Pakistan's support and unity with the people of Illegally Occupied Indian-administered Jammu and Kashmir. Kashmiris Mujahadeens are continuously making efforts to reclaim IIOK from India, which is why this Solidarity Day is arranged to pay homage to the Kashmiris who have martyred in the conflict. Keeping the same harmony in our hearts, the Isra University remembered and paid tribute to the martyrs and people living on the land of Illegally Occupied Jammu and Kashmir.

Dr. Ahmed Waliullah Kazi, Vice-Chancellor, Isra University led the walk from Block-A with the other dignitaries of Isra University to pay homage and acknowledge sacrifices of the innocent people of Kashmir. A large number of students, employees, doctors, nurses, and others enthusiastically walked with the Vice-Chancellor to pay tribute to Kashmiris.

Moreover, the Vice-Chancellor spoke on the rally and said that "Kashmiris are not alone but we all are standing with the people of Kashmir shoulder to shoulder and In sha Allah one day Kashmir will be a free state where Muslims can live according to their religion freely and happily." Dr. Kazi said that we are with Kashmiri brothers and sisters till the independence of Kashmir and Today, we want to send a message to the world that Kashmir is only theirs and they have full faith in Pakistan Army that one day, God willing, with the support of Pakistan Army, freedom to the Kashmiri people will be achieved. Moreover, the Vice-Chancellor along with others raised their hands to pray for the innocents living in a Jailed Kashmir. Also, the students and others loudly repeated the slogan "Free Kashmir, Free Humanity" with great passion and patriotism. The Vice-Chancellor was very happy to see a large number of participants who had joined him in this magnanimous act of humanity for the ignored land of Kashmir.

## ISRA UNIVERSITY PARTICIPATED IN WORKSHOP ON “ORIC ROADMAP: CHALLENGES, MINDSET & FUTURE PROSPECTS”

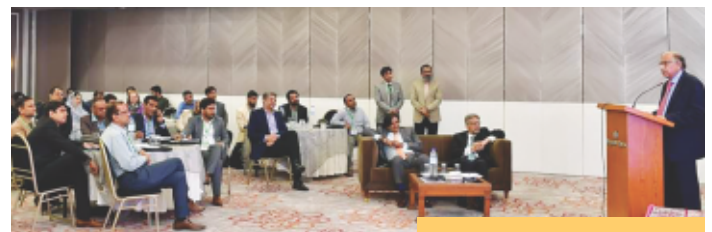

On the direction of the Honorable Vice-Chancellor, Dr. Ahmed Waliullah Kazi, Mr. Haseebullah Memon, Additional Director, ORIC, Isra University, Hyderabad, was nominated to participate in the workshop organized by The Sindh Higher Education Commission titled "ORIC ROADMAP: CHALLENGES, MINDSET & FUTURE PROSPECTS" on February 20, 2024, at the Regent Plaza Hotel & Convention Centre in Karachi.

A session on "Entrepreneurial Mindset" was led by distinguished speakers, including Mr. Syed Azhar Afaq Rizvi, Founding Vice Chairman of MIT Enterprise Forum and CEO/Director of Cambridge Advisor Pakistan, Mr. Faisal Mirza, Co-Founder and President of Simulation X, and Dr. Bilal Mirza, CEO of Startup Academy Pakistan. Their insights enriched the understanding of entrepreneurship's role in higher education.

Dr. Tariq Rafi, Chairman of Sindh HEC, delivered the welcome address. The workshop brought together heads of ORIC from various private and government universities, providing a platform for diverse perspectives and collaborative discussions.

The event concluded with remarks from Secretary HEC, Moinuddin Siddiqui, highlighting the workshop's significance in fostering collaborative insights and driving positive change in higher education across Sindh.

## STUDENTS OF AL-JALIL PREMIER SCHOOL VISITS ISRA UNIVERSITY

A group of enthusiastic students from Al-Jalil Premier School, led by their Director, Mr. Abdul Jalil Qureshi, and Principal, Afsheen Jalil Qureshi, embarked on an educational journey to Isra University, Hyderabad, on February 29, 2024. The visit was part of an initiative to broaden students' horizons and expose them to higher education and professional opportunities.

The delegation had a productive meeting with Vice Chancellor, Dr. Ahmed Waliullah Kazi, Director IIF, and Former Chancellor Prof. Dr. Hameedullah Kazi, along with Mr. Haseebullah Memon, Additional Director, ORIC. They discussed various aspects of education, including innovative teaching methods, student engagement, and collaboration opportunities between Isra

University and Al-Jalil Premier School. The Vice Chancellor expressed his enthusiasm for such interactions, highlighting the importance of such visits in fostering a culture of learning and exchange among educational institutions.

The students were given a comprehensive tour of Isra University's state-of-the-art facilities, including the library, laboratories, and lecture halls. They were also introduced to various academic

departments, allowing them to gain insight into different fields of study and potential career paths.

As part of the visit, the students attended an engaging lecture on the importance of higher education and career planning, delivered by faculty members from the Department of Management Sciences. The lecture provided valuable guidance and inspiration to the students, encouraging them to pursue their academic and professional aspirations with dedication and determination.

The visit concluded with a token of appreciation presented to the Director and Principal of Al-Jalil Premier School, expressing gratitude for their initiative in organizing the educational excursion. Both parties expressed their commitment to further collaboration and exchange programs, aimed at enriching the educational experience of students and promoting academic excellence.

The visit was hailed as a success, with both students and faculty members expressing their appreciation for the opportunity to interact and learn from each other. Such initiatives play a crucial role in fostering collaboration and partnership between educational institutions, ultimately benefiting students and contributing to their holistic development.

These interactions not only provide students with valuable exposure to higher education but also inspire them to set ambitious goals for their academic and professional futures. By fostering a culture of learning and collaboration, educational institutions can empower students to realize their full potential and become leaders in their chosen fields.

## ISRA UNIVERSITY ORGANIZED A SEMINAR ON "CYBER SMART" EMPOWERING A SAFER DIGITAL FUTURE

Isra University's Department of Management Sciences recently hosted a significant event on cybersecurity titled "Cyber Smart," Empowering a Safer Digital Future as part of a grant initiative funded by the United States of America. The event aimed to equip participants with essential knowledge and skills to navigate the complex landscape of cybersecurity effectively.

The project, spearheaded by Ms. Syeda Hadia Kiran, sought to address the critical concern of cybersecurity through education and awareness initiatives. Supported by a grant from the United States government, the project endeavors to empower individuals with the information and resources necessary to protect themselves in the digital age.

The event, held on 28 Feb 2024 at the Main Auditorium of Isra University, commenced with a solemn recitation followed by the rendition of the national anthem, symbolizing unity and patriotism. The event witnessed the esteemed presence of various faculty members, the Director of Student Affairs, and the Additional Director of ORIC, underscoring the significance of cybersecurity awareness in academic circles.

In the opening note, Miss Kinza Yousfani expressed heartfelt gratitude to the dedicated team behind the event, including Ms. Syeda Hadia (Grant Director), Mahnoor Laghari, and Monaima Shaikh, for their tireless efforts in organizing such a mega event

successfully. She also extended appreciation to the volunteers for their invaluable contributions to the event's success. In the end, she emphasized the growing importance of such events, highlighting that cybersecurity is a growing concern in today's digital world.

Distinguished speaker Sana Qazi led a session on "Cyber Hygiene Essentials," enlightening attendees on fundamental cybersecurity principles. Emphasis was placed on maintaining robust password hygiene, adopting safe browsing practices, and recognizing and thwarting phishing attempts effectively.

Shoaib Jahejo, an esteemed expert in cybersecurity, captivated the audience with his session titled "Securing Your Digital World." Through practical demonstrations, participants were empowered to implement cybersecurity measures, fortifying their defenses against potential threats and vulnerabilities in the digital realm.

Sahir Ayaz Palejo, an expert in cybersecurity law, offers valuable insights into "Navigating Cyber Threats with Legal Awareness," he delved into the legal frameworks and regulations concerning cybersecurity in Pakistan. Participants gained invaluable insights into pertinent laws, policies, and regulations aimed at safeguarding digital environments, enabling them to navigate cyberspace more securely and responsibly.

A stimulating panel discussion ensued, offering diverse perspectives on the evolving landscape of cyber security. The event concluded with a thought-provoking ending note by Ms. Syeda Hadia, shedding light on the grant initiative and its significance in promoting cyber awareness.

The event's highlight was the distribution of certificates by esteemed guests Prof. Dr. Subhan Kazi and Dr. Kinza Yousfani, acknowledging the participants' dedication and commitment to enhancing cyber security.

Capturing the spirit of the occasion, a group photograph was taken, immortalizing the collective endeavor towards fostering a safer digital environment. The event concluded on a convivial note, with participants relishing a delightful lunch, fostering networking and camaraderie among attendees.

## ISRA UNIVERSITY PARTICIPATED IN THE AGRI TECH FYP EXHIBITION AND JOB FAIR

A delegation from the Office of Research, Innovation, and Commercialization (ORIC), Isra University, Hyderabad, consisting of Mr. Haseebullah Memon, Additional Director ORIC, Mr. Syed Zohaib Ali, Associate ORIC, and Ms. Zainab Laghari, Associate ORIC, participated in the Agri Tech FYP Exhibition and Job Fair 24 at Sindh Agriculture University, Tandojam, on Tuesday, 27th of February, 2024.

Mr. Haseebullah Memon, Additional Director ORIC, had the honor of receiving a token of appreciation from Isra University, Hyderabad. The event concluded on a high note, leaving participants and guests inspired by the innovative solutions showcased at the AGRI TECH FYP Exhibition and Job Fair 24.

The event was graced by chief guests, including Mr. Nadeem ur Rehman Memon, Secretary Information, and Mr. Asghar Ali Memon, Secretary Planning, Government of Sindh. The guests of honor were Prof. Dr. Aijaz Ali Khooharo, Dean Faculty of Agriculture Social Sciences, Sindh Agriculture University, Tandojam, and Prof. Dr. Mir Sajjad Hussain Talpur, Director ITC. Their presence added to the event's prestige and highlighted the importance of innovation in agriculture.

Prof. Dr. Fateh Muhammad Mari, Vice Chancellor, Sindh Agriculture University, Tandojam, presided over the event, commending the participants for their hard work and innovative ideas. The exhibition showcased a range of innovative projects, from sustainable farming solutions to advanced agricultural machinery.
